*Merry Christmas from  
Danelle Harmon*

NYT and US Today Bestselling Author

Dear Reader,

Well, here we are ... another year at its end and the holidays upon us. It's a time of stress and preparation for many of us, but after the shopping is done, the cookies baked and the parties attended, why not make yourself a cup of hot chocolate, put your feet up, and treat yourself to a good book? I have a couple that are guaranteed to put you in the holiday spirit.

### **THE FOX AND THE ANGEL ...**

Can't get enough of Lucien de Montforte, the powerful and manipulative Duke of Blackheath? He's back and up to all his old tricks in this heartwarming Christmas tale set in England of 1779. Lucien's best friend Sir Roger Foxcote has long since lost the spirit of Christmas following a tragic loss. The duke's cousin Angela Seaford Holmes is widowed and destitute. Is Lucien's gift of Fox's favorite portrait a mere Christmas present to Angela, or does the crafty, matchmaking duke have something up his sleeve? Once again, Lucien sets in

motion events that are all but guaranteed to bring together an unlikely pair and leave you cheering for them both. Available for [Kindle](#) and [Nook](#) or, give yourself an extra special and deliciously indulgent treat and let master storyteller Wayne Farrell read it to you in audiobook through [Audible](#) or [iTunes](#).

**A VERY MATCHMAKER CHRISTMAS** ... What do you get when you have four despairing mamas with four unwed daughters? A very matchmaker Christmas, of course! This delightful holiday anthology features four charming novellas written by four bestselling authors - Christi Caldwell, Valerie Bowman, Renee Bernard and myself - all revolving around the same fun plot involving a Regency holiday house party with hi-jinks aplenty! Available for [Kindle](#), [iBooks](#) and [Nook](#).

As we prepare to welcome in 2016, I'm delighted to share with you some long-awaited news. Ever since the final de Montforte book, **THE WICKED ONE** was published by Avon Books/Harper-Collins fifteen years ago, readers have been contacting me asking for Lady Nerissa de Montforte's story... and at last, I'm thrilled to be able to give it to you. The youngest de Montforte sibling finally finds love in **THE WAYWARD ONE** ... and no, her beau is not the man you're expecting her to end up with! Stay tuned for more details of THE WAYWARD ONE's release (tentatively scheduled for Valentine's Day, 2016) by liking my [Facebook](#) page, following me on [Twitter](#) or watching for release information in my next newsletter.

Finally, 2016 will also bring my debut novel **PIRATE IN MY ARMS** to e-books and hopefully, I'll have another de Montforte Christmas novella to round out the year, so lots to look forward to! In the meantime, I wish all of you a very Merry Christmas and happy holidays, and a wonderful and vibrant new year filled with peace, joy, and happiness. Thank you, as always, for your continuing interest in my work!
