

Dear Reader,

It has been a long time since you've heard from me, and I thank you for your many letters and emails to me during the long years of my writerly sabbatical. Now, in the spring of 2012, I am creating again, and I hope this leads to what so many of you have asked me for: the long-awaited story of Nerissa and Perry, who certainly has some devils of his own to banish after all that he suffered in *The Wicked One*, thanks (no surprise), to Lucien, the ever-manipulative duke of Blackheath. Needless to say, I don't think Perry is going to count the duke as his best friend any time soon, and for good reason. But to what lengths will he go to enact vengeance?

The other exciting news is that, as a special treat for Kindle, Nook, and other e-reader users, I'm in the process of preparing my entire backlist, starting with the de Montforte Brothers series, for purchase on Amazon, Barnes and Noble, Smashwords, and other e-book websites . . . complete with GORGEOUS new covers that I know you're going to love as much as I do! I've had so many emails over the years from readers asking me where they can find my out-of-print titles, and now, that search is over. You'll be able to download my books straight from your favorite online bookstore! Here are some links to get you started (and do check out the new covers!):

Finally, I have just launched a [Facebook Page!](#)

Check it out and please invite all your friends!

It's so good to be back! Wishing you all the best,

Danelle
