

“Danelle Harmon is one of my all-time favorite authors!”

—Julia Quinn, #1 New York Times Bestselling Author

Hello, beloved ReaderFriends!

Well, here it is, December 22nd, and Christmas is only a few days away. Those of you who follow me on my [Facebook](#) page already know that tonight, I’ll be releasing a brand new book—my very first full-length novel in over a decade. It’s called LORD OF THE SEA, and I couldn’t be more excited to tell you about it!

“Connor Merrick is one American privateer who makes sailing the high seas sexy . . . a fantastic book!”

—Lindsey Ross, Romancereadergirl Blog

Set during the War of 1812, LORD OF THE SEA is part of my bestselling Heroes Of The Sea series and follows the high-seas romantic adventures of reckless, dashing, “sinfully sexy” American privateer Captain Connor Merrick (son of Brendan and Mira from *Captain Of My Heart*) as he wreaks havoc on British shipping in the West Indies at the helm of the magnificent schooner, *Kestrel*. Connor is sexy, daring, and has an unquenchable thirst for danger, but he’s hiding a shameful secret that could pull the rug out from under him.

It’s not until he saves the beautiful Rhiannon Evans (sister of Gwyneth from *Wicked At Heart*) from bloodthirsty pirates and an innocent flirtation goes stunningly awry, that his perfectly ordered life begins to unravel.

“A love story of heartbreak, redemption and ultimately, absolution.”

— Nancy S. Goodman, *Rakes, Rogues and Romance* blog

LORD OF THE SEA brings us a hero who is flawed and deeply tormented beneath the swaggering façade he presents to the rest of the world, and a feisty beauty who not only sees beneath it, but will go to any and all lengths to protect her man—even if it means confronting her own deepest fears after Connor’s reckless nature brings a terrible tragedy down upon them all. Bringing back beloved characters from other books in my Heroes of the Sea Series—Brendan and Mira from *Captain Of My Heart*, Sir Graham and Maeve from *My Lady Pirate*, and even a few faces from *Wicked At Heart*—LORD OF THE SEA is a moving and deeply emotional story that will have you reaching for a box of tissues and remembering it long after you’ve finished the last page.
